What to expect

29 January 2026
Brussels, Belgium

Building on the success of our first **Code & Compliance** event, this edition continues to foster knowledge sharing, networking, and in-depth discussions on open source governance, policy, and best practices.

Participate in a full day of collaboration, knowledge sharing, and high-level discussions with industry leaders, policymakers, and open source decision makers shaping the future of the ecosystem.

As a sponsor, your organisation will benefit from exceptional **visibility among global open source leaders** while showcasing its expertise and commitment to the community.

The venue

Maison de la Poste

Maison de la Poste is one of Brussels' most iconic event venues, located within the historic Tour & Taxis site, a revitalized industrial area just minutes from the city center. This beautifully renovated building combines early 20th-century architecture with contemporary design, offering a unique and inspiring atmosphere for conferences, workshops, and networking.

> Why sponsor?

Network with global leaders shaping the future of open source.

Understand real-world CRA implementation and implications for open source.

Showcase your organisation's thought leadership, expertise, and strategic role within the global open source ecosystem.
