Email blurb

[Open Community Experience \(OCX\)](#) 2024 is happening 22-24 October in Mainz, Germany! OCX 2024 is hosted by the Eclipse Foundation as their flagship conference, bringing together our global ecosystem for industry collaborations, projects, and topics of interest to open source developers and practitioners.

OCX will host [collocated events](#) such as EclipseCon, the centre of gravity for all topics related to the Eclipse IDE platform and developer tools; Open Community for Java focusing on topics related to Jakarta EE, Adoptium, MicroProfile, and more; and Open Community for Automotive dedicated to automotive software, software-defined vehicles, and mobility topics. We are excited to participate in the event and encourage you to join us!
